

*The Vermont State Dental Society  
presents a conversation about*

# ORAL HEALTH CARE ISSUES IN VERMONT:

*What Does the Latest Data Show?*

**THURSDAY**

**MARCH 30, 2017**

**Statehouse Cafeteria - Montpelier, VT**

*4:00 PM - Wine, Beer and Appetizer Social in the Statehouse Cafeteria*

*4:45 PM - Presentation by Dr. Marko Vujicic from the ADA*

*New research will be presented about Vermont by Dr. Marko Vujicic,  
Chief Economist & Vice President, Health Policy Institute at the  
American Dental Association, that has never been seen before.*

*The conversation will include a focus on the Medicaid  
population, data on oral health and well-being, barriers to dental care  
and Medicaid provider network.*
