PM Break at 4:00

*Northeast Delta Dental will conduct their meeting at lunch.

FEES:

Exhibitor Booth Fee = \$995

Exhibitor Booth Fee Bundle =
\$1800*

*Bundles are non-refundable

Please join us in exhibiting at our single day continuing education events. These are attended primarily by dentists and offer a unique opportunity to interact directly with the doctors (avg. attendance is 60-125). It is a great option in addition to our Vermont Dental Conference (Sept. 19-20, 2019). Information on this event will be sent in early spring. Mark your calendar! Register for one single day event or save on a bundle registration. Register early as space is limited. These events will put your company center stage and provide a great sales connection.

EXHIBIT BOOTH INFORMATION:

- Booths displays are located in a prominent location and include a covered 6' display table, chairs, WIFI access/standard electric (when available), and a wastebasket
- Space is limited to 8 display spots based on venue to ensure direct access to attendees. Availability is on a first come, first served basis
- Continental Breakfast & Buffet Lunch included, dining is with attendees
- All exhibitors will be recognized during class introductions
- A Pre and Post Attendee list is included
- Publicity on VSDS website
- *Bundle includes booth space at 2 single day events (4/12 & 12/6)

Speaker Biography:

Dr. Lynch received his D.D.S. degree from the University of California at San Francisco, followed by a residency in oral and maxillofacial pathology and a Ph.D. in Experimental Pathology at the University of Alabama. He is currently Professor of Oral and Maxillofacial Pathology at Marquette University School of Dentistry and Professor of Dermatology and Otolaryngology-Head and Neck Surgery at the Medical College of Wisconsin.
