

Vermont Dentists join the VSDS at
STATE HOUSE DAY

Wednesday, February 20, 2019

Let Your Voice Be Heard!

Support your profession and the “Care Beyond the Chair” initiative designed to highlight the community support Vermont dentists provide in and out of the office. State House Day is an opportunity for outreach and education to lawmakers in Montpelier.

We all have a role to play in making Vermont a healthier state.

Two shifts again this year: 9:00 AM - 1:00 PM & Noon - 4:00 PM

Our shifts overlap at lunch in the State House cafeteria to amplify our visibility at a key place & time.

RSVP
For your preferred shift!
